

Dear Families,

The 2026 TCS Family Color Run is here!

Attached is this year's Fundraiser & Family Color Run Information Packet, which includes everything you need to know about registration, fundraising, incentives, race times, lunch, and Race Day details. Please take a few minutes to review the packet and get your family ready for a fun event with a purpose!

Students will get active and have a blast running or walking the course while being showered with safe, colorful powder at different stations. With volunteers, laughter, and surprises at every turn, this is more than just a run—it's a celebration of what makes Texoma Christian School so special.

Inside this packet, you'll find everything you need to get your family involved:

1. **Student Sponsorships** – Students are encouraged to reach out to friends, family, neighbors, church members, and others for sponsorships.
2. **Online Giving** – We're once again partnering with **PLEDGEIT**, making it easy to connect with supporters and track progress online.
3. **Individual and Grade-Level Goals & Prizes** for reaching their goal.
4. **Race Day Information** including race times and how to order lunch.
5. **Our Goal:** We hope every student can raise **\$200**, helping us reach our overall school goal of **\$65,000**.

Finally, we'd love for you to join us for the **Family Color Fun Run** to celebrate the closing of our event!

Date: Friday, October 9th

Time: 11:00 AM

Location: Texoma Christian School

Thank you for your continued support in helping us provide the very best education and learning opportunities for our students. Together, we can make this year's fundraiser the most colorful and successful yet!

Event details and logistics

- **What:** Texoma Christian School Color Fun Run
- **When:** October 9th at 11:00 am
- **Where:** Texoma Christian School
- **Who:** All TCS students and families are encouraged to participate.
- **What to wear:** Participants should wear a white t-shirt to show off the color. Old clothes and shoes are also a good idea, as the colors may not wash out completely.

About the color powder and safety

It is important to address safety concerns regarding the color powder by providing details on its ingredients and potential precautions.

- **The powder:** The color powder is non-toxic, 100% natural, and made from cornstarch and natural food-grade dyes.
- **Safety measures:** Volunteers are instructed to throw color powder at students' torsos to avoid direct contact with faces.
- **Protective gear:** Students who have asthma or dust allergies should wear a bandana or dust mask over their mouths. Some participants may also wish to wear sunglasses or goggles to protect their eyes.
- **Cleanup:** The powder will mostly brush off clothes and skin, but families are advised to bring towels or plastic sheets to cover car seats for the ride home. The powder will wash off skin and hair with soap and water.

Fundraising Instructions

Signing up a student

Visit our campaign page at <https://charity.pledgeit.org/Colorfunrun>

Click "Join" to create a fundraiser profile for your student.

You will be prompted to login or create an account. If you are creating an account, please use the first and last name of the student you are signing up.

Note: If you signed up on last year's campaign, you may have an email already in the system. If so, it will prompt you to reset your password.

Select your child's team when prompted.

Set a fundraising goal for your child. To be eligible for the Student Incentives, a minimum of \$200 must be raised, but you can increase this amount if desired.

If desired, customize the message appearing on your student's page and add a profile photo and cover photo when prompted.

Your students page is created! When logged in, you can head to the "Donors" tab to start sending donor invitations or simply copy your page's URL to share with friends and family over email.

Signing up additional students in your family

To register additional students, first make sure you are signed out of any previous accounts you created by signing out in the top right corner of the page.

Once signed out, click "Join" to create a new fundraiser profile.

You will be prompted to login or create an account. Do not use the account you created for your first student, as it is already in use. Use a different email address that will be unique to the next student you are signing up. Students in grades 6-12 may use their student emails.

Follow steps 4-7 as listed above to customize your student's page and begin sharing it with friends and family.

If you have problems, please reach out to amy.webster@texomachristian.org. After you sign up, your student will have an individual page to fundraise with and you can share the link via text, email, etc. We will end our campaign on October 9th on the PLEDGEIT website to check updates and see which teams are on the leaderboard. We are so excited to kick this off and have the best fundraiser yet!

TCS FAMILY COLOR Run

INCENTIVES

The more you raise, the more you get!

\$100
BY SEPTEMBER 30TH

Donut Breakfast

Kick off the fun with a
delicious donut breakfast
on October 1st!
