

Continuous Enrollment FAQ's

Our Family is definitely staying at TCS! What do we need to do to re-enroll?

Nothing! Under the Continuous Enrollment Contract, your child is automatically re-enrolled for 2023-2024. If you need to enroll a new student in your family, please follow the Admissions tab on our website to complete a new application.

How can I find out what the Tuition & Fees will be for the upcoming school year?

The Tuition and Fee Schedule is available here: [2023-2024 Tuition Schedule](#)

Is there a re-enrollment fee every year?

Yes. The re-enrollment fee is on the Tuition and Fee Schedule. For returning students, the re-enrollment fee is billed to your account on February 1. Monthly payment plans begin in June (or the month of your enrollment) and end in May (11 months).

Once you have paid the re-enrollment fee, you will receive your 2023-2024 Financial Contract (unless you are applying for financial assistance). Financial Contracts are binding.

What if our family is unsure if we can return to TCS next year?

We know that situations can change. If you cannot attend TCS for the upcoming school year (or if you are unsure about your plans) simply contact our Admissions Office in writing **by February 16th** to discuss opting-out of Continuous Enrollment. Your student will not be automatically re-enrolled and you will be released from the financially binding Continuous Enrollment contract. Your student's spot is not guaranteed for the upcoming school year.

We want to continue attending TCS but need financial assistance. What options are available to us?

Financial Aid applications are open: [TCS FACTS Grant and Aid](#). We encourage you to begin applying for financial assistance right away. All financial aid applications must be completed and submitted by April 1, 2023. **Financial assistance must be applied for annually-it is not carried forward from the previous year.** Financial Aid is only available to students in Kindergarten through 12th grades.

If your financial aid application is not completed and submitted by April 1, 2023, your student will not be re-enrolled and may lose their position in their grade level.

We opted-out of Continuous Enrollment, but decided we want to continue at TCS for the upcoming school year. How do we re-enroll after February 16th?

Please contact the Admissions Office as soon as possible to let us know that you want to re-enroll. If a spot is still available for your student, they will be re-enrolled, and the re-enrollment fee will be billed to your account. Tuition payment plans will begin the month of re-enrollment (if after June) and end in May.

What if our Family withdraws enrollment before the school year starts?

A family that withdraws their student after May 1, 2023 will still be responsible for 50% of the student's tuition due to the financial obligations with the faculty and budget. A family that withdraws their student on or after the first day of school will be responsible for 100% of the student's tuition.

What if I need more information about re-enrollment or financial matters?

We are happy to answer your questions anytime.

For admissions and re-enrollment questions, please contact Jennifer Brockelman: (jennifer.brockelman@texomachristian.org) or 903-957-8221.

For questions regarding financial assistance or payment plans, please contact Debbie Bowden in the Business Office (debbie.bowden@texomachristian.org) or 903-957-8224.

Please Note: After February 1st, students will automatically be re-enrolled for the upcoming school year unless the Admissions Office is notified in writing by February 16, 2023. Remember the Continuous Enrollment Contract is financially binding.
