

Texoma Christian School Continuous Enrollment

Texoma Christian School implemented **Continuous Enrollment** in 2022. This is an efficient and convenient way for our families to re-enroll from year to year. In fact, there is no need to complete re-enrollment paperwork at all. Once your child is enrolled at TCS, they are **continuously enrolled** until graduation or until your family follows an opt-out procedure that ends **February 15, 2024**.

The Continuous Enrollment process is as follows:

- On February 1 your account will be billed for the re-enrollment fee for each student. The re-enrollment fee is due by Thursday, February 29, 2024.
- Monthly tuition payments will begin in June and are paid over 11 months (June-May).
- Financial Contracts for tuition are binding for the upcoming school year if you **do not opt out by February 15, 2024**.
- **If you need to update any of your information (address, phone number, student medical information, emergency contacts), please log into your FACTS Family Portal > School > WebForms > Family Demographic Form**

We have put together a series of Frequently Asked Questions (attached) to help you understand how this process works and how it is designed to make the re-enrollment process as seamless as possible.
